JEANNE HICKS, CLERK

BY: M. SHAW

ARIZONA SUPERIOR COURT
YAVAPAI COUNTY

STATE OF ARIZONA,

No. P1300CR20081339

Plaintiff,

Vs.

STEVEN CARROLL DEMOCKER,

Defendant,

REQUEST FOR RECORDS

Petitioner pro se William E. (Bill) Williams respectfully requests the Court – in compliance with its December 8 Order – release documents.

As grounds for the motion, Petitioner states:

1. I am a taxpayer in Yavapai County who has standing with the court.

BACKGROUND

Petitioner, William E. (Bill) Williams, is researching the DeMocker case and has been allowed to observe, make oral argument, and write about and within courtroom proceedings in the above captioned matter. This case is also known as P1300CR201001325.

Judge Darrow issued a December 8 Order regarding how to request documents following numerous motions and oral argument by Western News and Info, Inc and Petitioner Williams.

ARGUMENT

The basis for allowing release is for Petitioner's stated reasons in his October and November filings in this case; specifically, Petitioner is a conduit to the citizens of Arizona because he is writing a series of articles on phoenix examiner.com and is writing chapters for a book about the above captioned matter. The public has a right to know. The media's freedom of the press would be harmed. Interstate commerce is harmed. The harms and prayers for relief in Petitioner's prior pleadings are incorporated herein in full.

Legal bases and case law cited in Petitioner's previous pleadings in this case are incorporated herein in full.

The documents requested include witness testimony, attorney John Sears' discussions regarding withdrawal from the case, potential reduction of bail, problematic jail conditions, evidence already disclosed in testimony, the DeMocker daughters (one of whom is indicted in a companion case), monetary issues and UBS corporate issues of Steven DeMocker which may financially impact members of the public, news media subpoenas, attorney client privilege, child pornography in Yavapai County, and ex parte and in camera discussions which the public deserves knowing about.

Petitioner cannot divine the contents of these documents; after all, five thousand pages were filed in this case by early June 2009; Petitioner seeks to review them.

Judge Darrow requests the Petitioner proffer an Order to be signed by Petitioner; it is attached.

REQUEST FOR RELIEF

For the foregoing reasons, Petitioner respectfully moves the Court to allow review of:

1. June 6, 2009 Motion filed under seal

2. July 10, 2009 notes and list of attendees in sealed hearing
3. July 10, 2009 sealed minute entry
4. July 16, 2009 sealed application
5. July 16, 2009 notes and attendee list from ex parte in camera sealed hearing
6. July 21, 2009 order, sealed
7. July 21, 2009 sealed motion
8. Aug 3, 2009 sealed order
9. Aug 7, 2009 sealed motion
10. Aug 11, 2009 sealed order granting
11. Aug 18, 2009 sealed application
12. Aug 19, 2009 sealed order
13. Aug 21, 2009 sealed order amending

Respectfully Submitted

William E. (Bill) Williams
